Class I Unites in Tricolour Harmony

In commemoration of India's Republic Day, the young students of Class I engaged in a spirited class activity that not only celebrated the nation's colours but also fostered a sense of unity. The activity involved crafting a tricolour badge for each student and pledging to become a responsible citizen of India.

A Hat of Happiness Activity-Class I

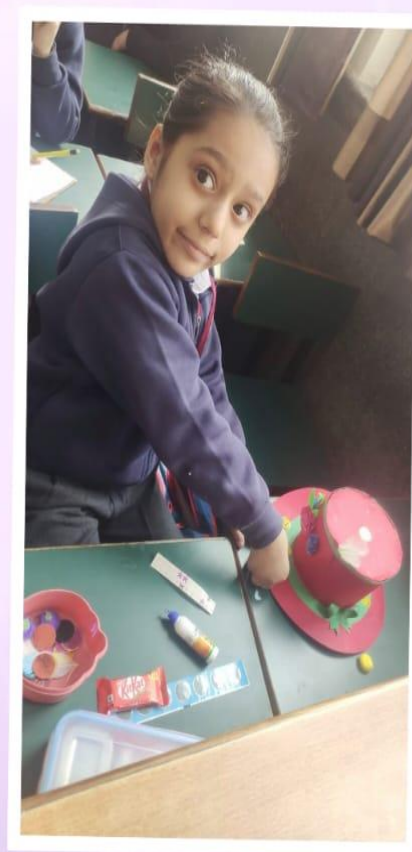

A hat-making extravaganza was carried out in class 1! The students embraced the 3 R's – Reuse materials, reduce waste, and Recycle creativity. They brought old newspapers, colorful magazines, stickers, ribbons, and any other waste material to craft unique hats together. The students surely turned everyday items into extraordinary fashion statements!

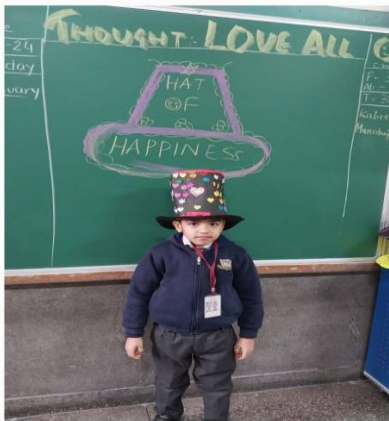

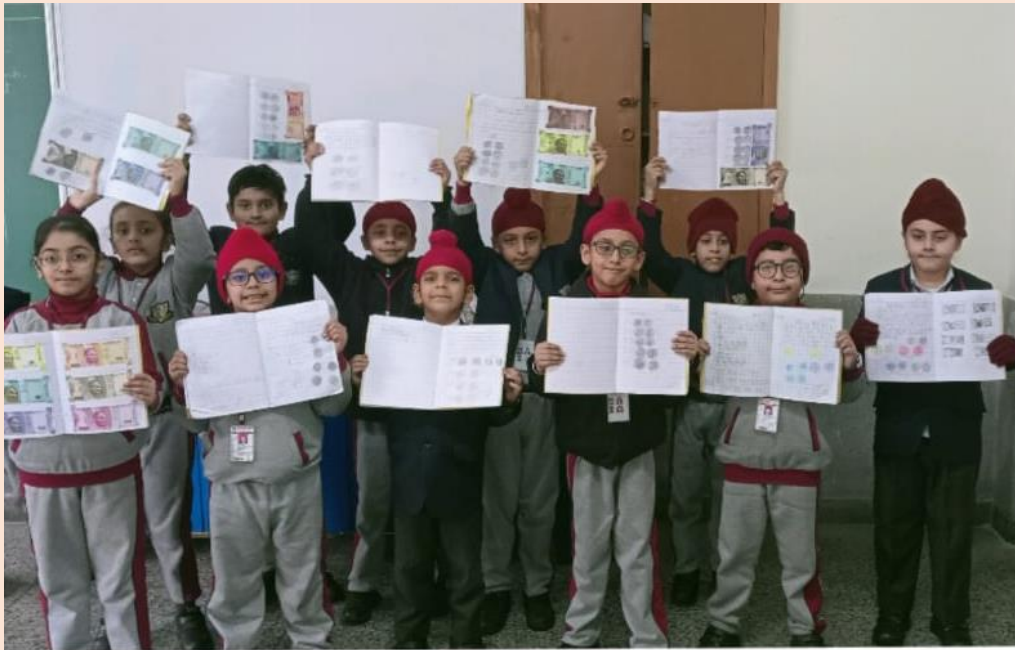

JANUARY ACTIVITY REPORT CLASS II

Exploring Coins

A Hands-On Coin Impression Activity to Unveil the World of Money

The coin impression activity for class two aimed to introduce young learners to the world of money through a hands-on approach. The objective was to familiarize them with different coins and their values in an engaging manner.

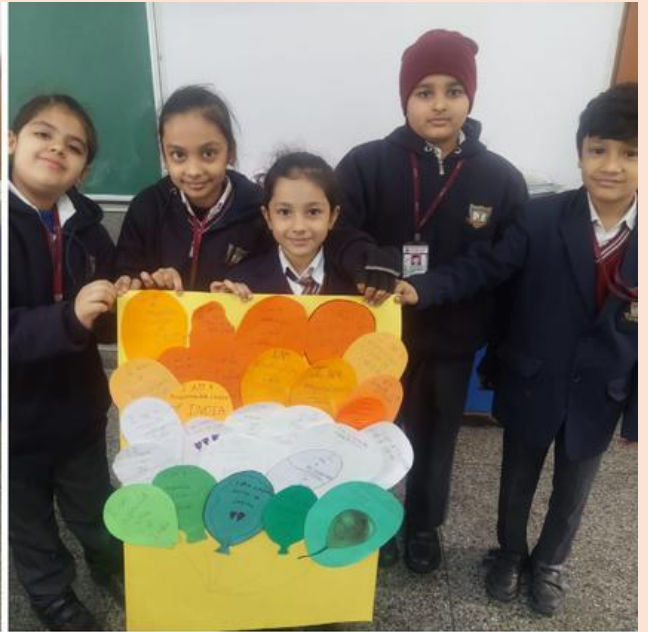

Republic Day Celebration

Class II Unites in Tricolor Harmony

In commemoration of India's Republic Day, the young students of class II engaged in a spirited class activity that not only celebrated the nation's colors but also fostered a sense of unity. The activity involved crafting a tricolor masterpiece using a cut-out of balloons in orange, white, and green hues, symbolizing the essence of the national flag.

Role-playing with fake currency notes from Jodo Gyan Kit

A Creative way to understand Money

To spark the curiosity of class II students about money, a hands-on role-play group activity was organized using colorful fake currency notes from the Jodo Gyan kit. Through hands-on exploration and group sharing, the activity laid the groundwork for future financial literacy. The goal was to make learning about money fun and relatable for young minds.

Love for Motherland-Class III

For the value education activity themed "Love for the Motherland," students demonstrated their affection and respect for their country through a creative and reflective exercise. They vividly expressed their patriotism by meticulously drawing and coloring the national flag, the Tricolour, in their Value Education notebooks. Additionally, they articulated their thoughts and feelings about their profound love and reverence for their homeland, showcasing their understanding and emotional connection to their country's values and heritage.

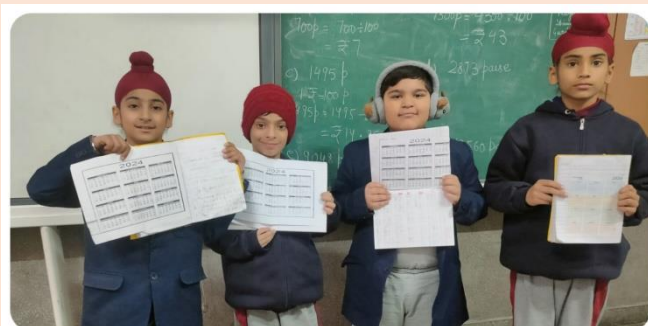

Calendar Activity-Class III

In the calendar activity, children were tasked with answering questions based on a calendar, thereby enhancing their proficiency in reading and understanding this essential tool. Through this exercise, they acquired valuable skills in deciphering dates, identifying days of the week, and comprehending the passage of time. By actively engaging with the calendar, children not only expanded their knowledge but also cultivated a practical skill set that will serve them well in daily life.

Republic Day Activity-Class III

The students of Class III marked the 75th Republic Day by speaking activity centered around the Republic Day parade. They captured moments while watching the parade on TV, noting the name of the chief guest. A class quiz facilitated an exchange of views, fostering a discussion on the importance of Republic Day and instilling values of patriotism among the students.
