

## ASSEMBLY REPORT

### IV-A

### SELF-RELIANCE

There may be fairies, there may be elves, but God helps those who help themselves.

Being self-reliant is presented as the ability to take control over your life, being motivated from within, and being able to take care of yourself. Thus, topic of today's assembly was "Self -Reliance". The assembly began with shabad to seek the blessings of the almighty. This was followed by thought of the day, news headlines and two new words for enhancing the vocabulary of students. Next in line was a small play depicting the importance of self reliance. This was followed by a beautiful poem and some impactful lines on the message – "God helps those who help themselves." The assembly was concluded with the Head Mistress ma'am congratulating and complementing the performers for their efforts. She further motivated the students to be self-reliant through a brief speech.
