

Assembly on Our Heritage

“A concerted effort to preserve our heritage is a vital link to our cultural, educational, aesthetic, inspirational and economic legacies. All of these things make us who we are.” - Steve Berry

The students of class VII A conducted an assembly on the topic ‘Our Heritage- the past helps to strengthen the future on August 23, 2022. The main purpose of the assembly was to imbibe love and respect in children towards our heritage so that they work for its preservation. The assembly started with a prayer, followed by the news headlines, the thought for the day, facts about various heritage sites all over the world and a beautiful street play on “Indian Culture and Heritage” performed by our students. To enhance the vocabulary, two words with their correct pronunciation and explanation were also shared with the students. The assembly concluded with the pledge taken by the students to conserve our culture and heritage. The students learned that heritage refers to practices that are passed down through the years, from one generation to the next which includes culture, tradition, clothing, flora, fauna and also historical monuments. This special day offered an opportunity to raise awareness about the diversity of cultural heritage and the efforts that are required to protect and conserve it.
