**Classes I, II and III**

**Date: February 3, 2023**

A day picnic was organised for our students of classes I, II and III at Deva Farms, Alipur Road on February 3, 2023. The students were overjoyed at the thought of giving themselves a break for some adventure. They excitedly explored the beautiful rural setting of the camp and the activities planned for them. They were given detailed instructions by the instructors at the camp.

The students were engaged in many activities like Zip Lining, Trekking, Gorilla Warfare, Giant Ladder, Burma Bridge, Camp Games, Tunnel Crossing, Rock Climbing, Hamster wheel, Commando net, Tyre mesh etc. They enjoyed rides on the camel cart and tractor and relished the sumptuous buffet. They had a blast when they gyrated on the stage and showcased their dancing skill. Children learnt skills like teamwork, sportsman spirit and discipline while having fun in a safe environment. They thoroughly enjoyed this day and returned to the school with wonderful memories and a rejuvenated spirit. It was indeed a wonderful day filled with fun and frolic for all.
