

## **‘FINANCIAL LITERACY WORKSHOP REPORT**

A workshop on ‘Financial Literacy’ was organised at JKPS, Shalimar Bagh on Thursday 28 July 2022 in the school auditorium for the students of classes VIII-XI to make them aware of their finances at a young age. The session was conducted by a team of ‘The Fly Scholar’ led by Mr. Jatin Singhal. Financial literacy is a combination of financial awareness, knowledge, skills, attitude, and behaviour necessary to make sound financial decisions and ultimately achieve individual financial well-being. The resource person addressed the myths and misconceptions related to financial management and also informed our young students about the importance of goal-planning and budgeting. The session was quite interactive and informative.
