

ASSEMBLY on Teachers' Day Celebration

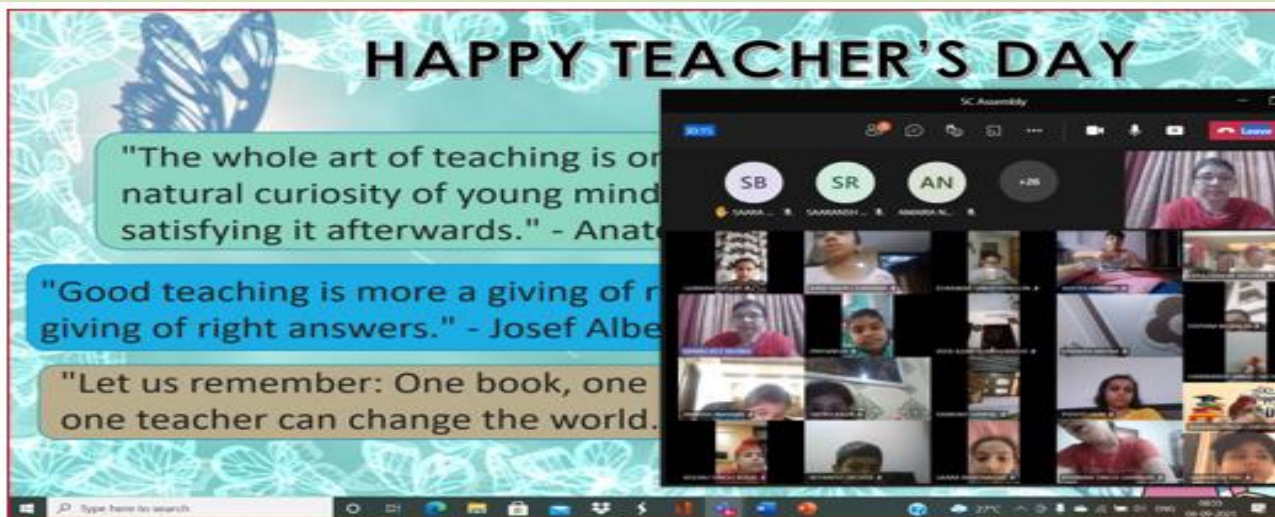

"The art of teaching is the art of assisting discovery."

Dr S Radhakrishnan

Teachers' Day is observed on September 5 in India to commemorate the birth anniversary of Dr Sarvepalli Radhakrishnan.

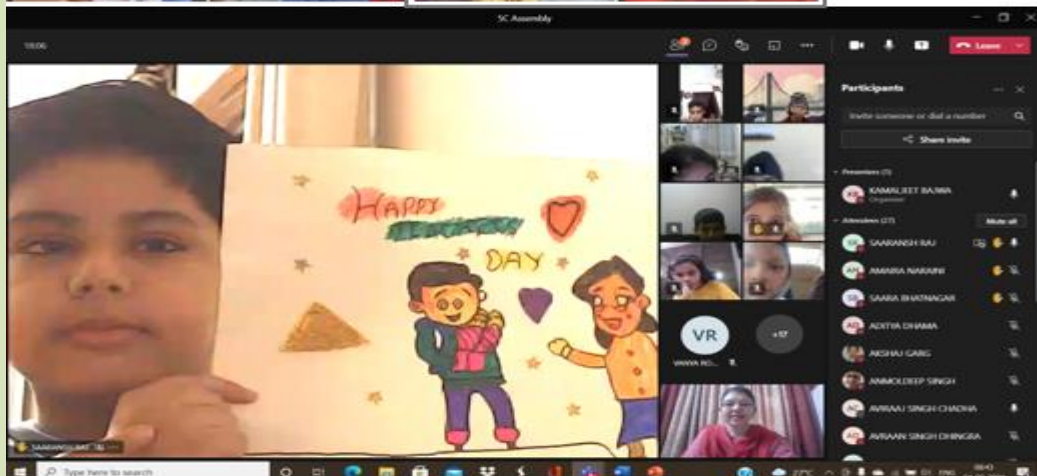

Teachers are humans to look up to and emulate. Bringing to the notice of the students the value of teachers and teaching, a special assembly was conducted on 04 September 2021 for the students of classes IV-VII on the topic "Art of Teaching". The students were shown a PPT which included videos, stories, quotes, and craft activities.

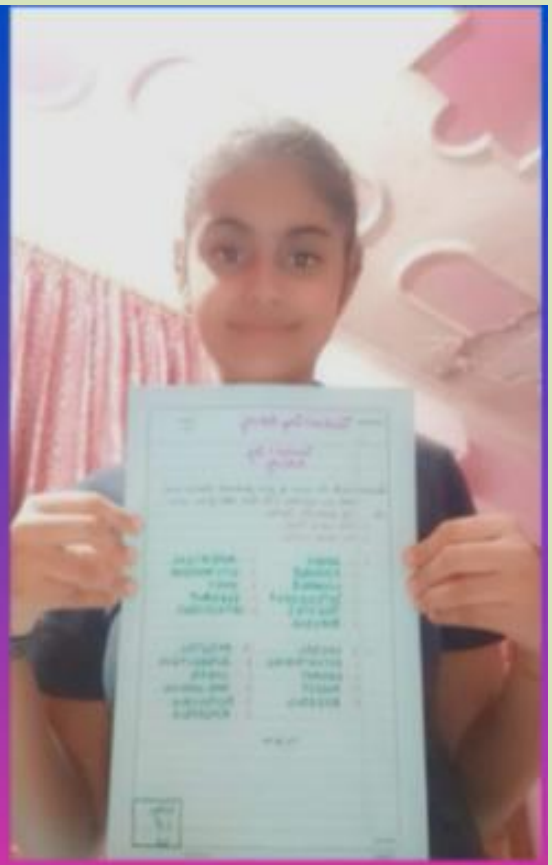

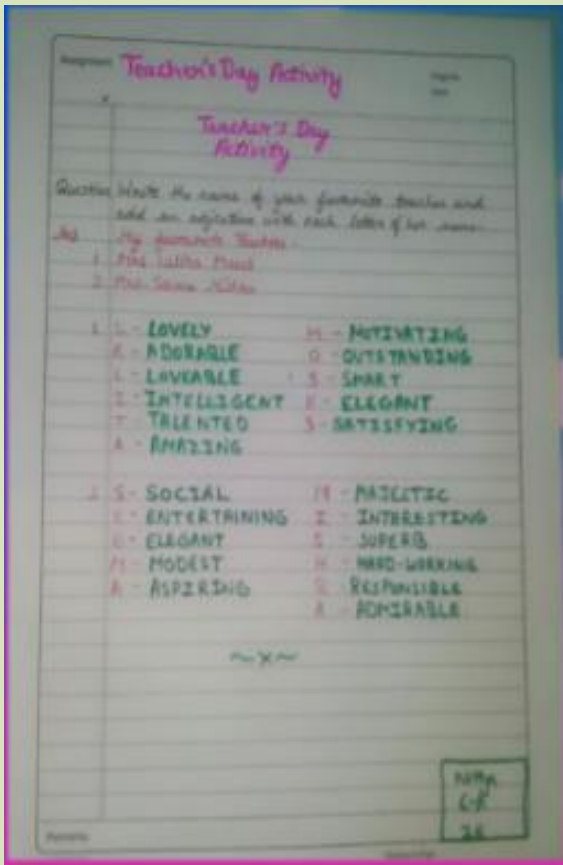

The purpose was to recognise the teacher-student bond and infuse new energy and salute the spirit of teachers and their efforts and sacrifices to bring seamless learning to their students amid the pandemic. The assembly was aimed at understanding the importance of teachers and acknowledging their contributions.

Students of classes IV&V made beautiful cards and wrote messages for their teachers.

The students of classes VI & VII made a colourful presentation of the name of their favourite teacher on a sheet and added an adjective beginning with each letter of the name. Students participated with great enthusiasm in all the activities.

HAPPY TEACHERS DAY! ❤️
