

“For to be free is not merely to cast off one’s chains, but to live in a way that respects and enhances the freedom of others” - Nelson Mandela

Independence, Freedom and Liberation are not just words but ideals and goals that have inspired men and women. The celebrations rekindle the feeling of patriotism and honor all the leaders who put up a brave fight for their nation’s freedom and remind themselves of their unwavering faith and visions.

To mark the 75th Independence Day of India, Jaspal Kaur Public School held a week-long celebration. The different departments of the school organized a plethora of virtually interactive events and competitions for the students of classes IV-VI. This allowed the participants to express their patriotic ideals and showcase their talent even in these unprecedented times. These trying times did not dampen the spirit of pride and patriotism in our students as they participated in these events with great zeal and enthusiasm.

The activities were aimed at helping the young minds discover about this hard-earned freedom that has been passed on to them by older generations. In addition to all the activities, we took this opportunity to revisit history with them, paying tribute to our freedom fighters, reciting a few patriotic poems and singing the national anthem so that they could feel blessed to live in a free country where they have the right to choose their religion, worship God and be proud citizens of world’s largest democracy.
