

A Fun-filled Adventure Camp at Rocksport, Sonipat

Report on Adventure Camp at Rocksport - Sonipat

Day/Date: Saturday, 28 January 2023

Destination: Rocksport, Sonipat

Attended by: Classes IV-VIII

"Just education is not enough, Children must have, sunshine, freedom, and playtime."

Adventure sports for students are highly motivational and practical which are unlikely to be seen in the normal classroom environment. Adventure aims at increasing productivity and encourages students to work in different environments it builds team spirit, friendship, and trust among each other.

To inculcate different life skills, JKPS in collaboration with Rocksport, organized an adventure Camp at Sonipat, for the students of classes IV - VIII on 28 January 2023 after a long span of three years of the pandemic. Away from the busy crowded roads of Delhi, around 750 students, accompanied by their teachers boarded 19 buses and reached the destination at around 10:30 am

The students were ecstatic to be at their destination. They didn't stop singing in the buses until they arrived at the location, where delicious breakfast and entertaining activities awaited them. These exercises are meant to keep a student's physical and mental balance as well as their level of fitness. Each group of pupils received a group leader after being divided into smaller groups.

The young Jaspalians obtained fresh insight as they encountered various challenges during activities like the Burma Bridge, Commando Net, Tyre Maze, zip line, wall climbing, etc. The students' entire personalities and strengths were strengthened by it.

The amount of energy and enthusiasm exhibited by the students was enthralling.

The students participated in various activities which helped them to have good relationships with their friends, gain problem-solving skills, and respect their fellow team members and their contributions. The members of the camp guided the students at each point in time.

The pottery-making session and tractor ride significantly improved the rural adventure.

Even though they were worn out and drained, the kids danced enthusiastically as Rocksport's in-house DJ spun upbeat music to close the day.

It was a day filled with fun and the students returned with memories to be cherished forever.

The link for a short glimpse of the outing is attached herewith.
