

VIVEKANANDA PAATHSHALA REPORT

FEBRUARY 2023

“The more that you read, the more things you will know, the more that you learn, the more places you’ll go.”

The month of February was filled with utmost joy, new learning experiences and a focus on holistic development of the Vivekananda Paathshala students.

The students thoroughly enjoyed participating in a variety of Hindi and English linguistic games which helped them enhance their creative expression and the grasp over language.

This month's activities also included lots of fun filled adventures as our dear students attended several dance and singing classes from our talented faculty members learning the very essence of our heritage.

The students performed outstandingly well and spread their creative wings to soar high both in curricular and co-curricular activities. The subject enrichment activities facilitated by the efficient teachers aided in the overall development of the students.
