

December was the month of learning lots of new things for the young achievers of Vivekananda Paathshala.

## ZOOM SESSION

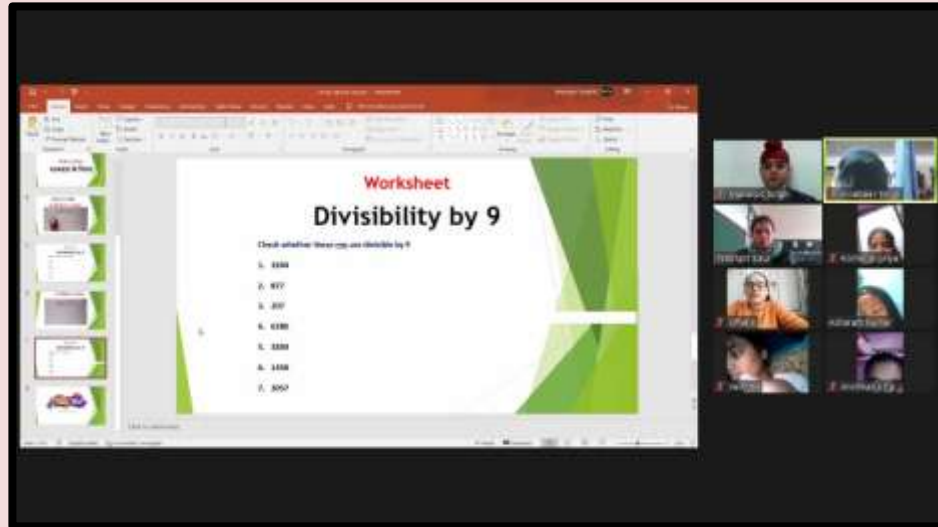

The month started with a Zoom Session conducted on 03 December 2021 by Ms Priyanka Bhatia on the topic “One-Many” focussing on the pre-number concept through a beautiful PPT followed by an interactive question-answer session.

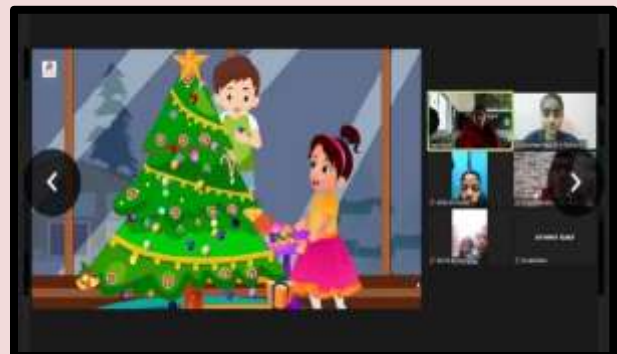

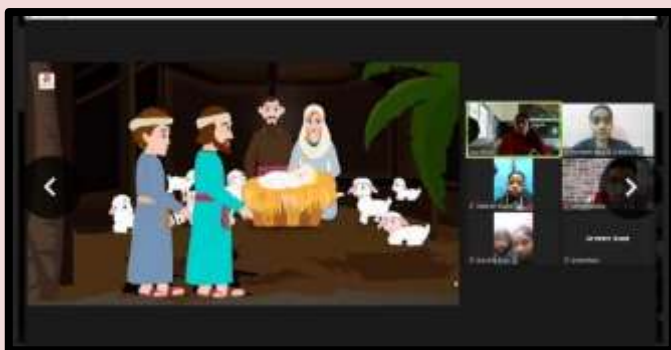

Another Zoom Session was conducted on 10 December 2021 by Ms Pallavi, focusing on the knowledge about Winter Season through a beautiful PPT followed by an interactive question-answer session. The students were given information about fruits, vegetables, clothes, and festivals of the Winter Season.

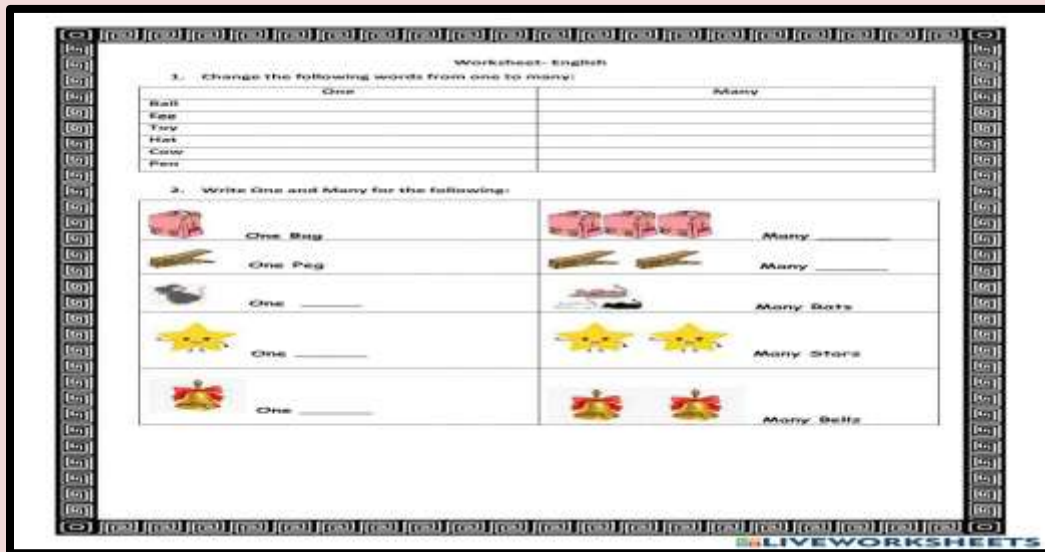

Another ZOOM SESSION was conducted on 17 December 2021 by Ms. Prabhjot Kaur focusing on **Maths Divisibility rules**. The session was very interactive and informative for the students.

A virtual session on Christmas Celebration was conducted on 24 December 2021 by Ms. Jaya Harjai. It was a fruitful session. The students not only learnt more about the festival but also had a wonderful time.

## LINKS AND LEARNING

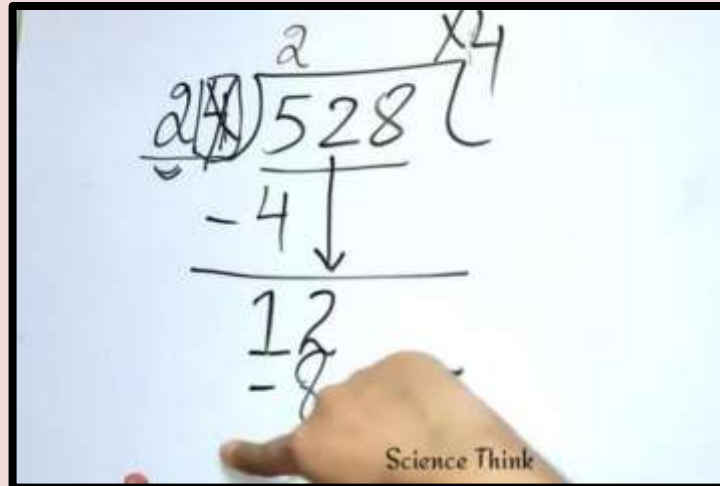

Adding to the communication skills, a Live worksheet related to One- Many was shared with the students in the WhatsApp group to build their confidence.
