

## ZOOM SESSION

The month started with a Zoom Session conducted on 'Seasons' by Ms. Achrandeep Kaur focussing on the four seasons through a beautiful PPT followed by an interactive question-answer session.

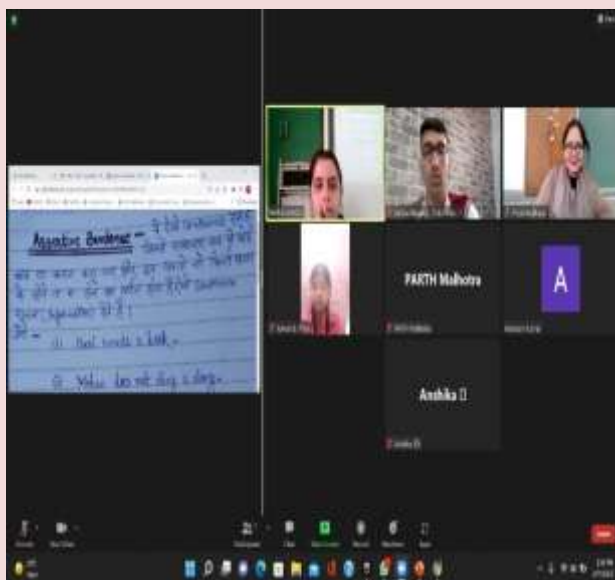

An informative and interactive session on 'Position Words' was conducted on 4 February 2022 by Ms. Preeti Khanna. Children were taught the basics of Prepositions using colourful slides prepared by the students of JKPS. The session ended with a live worksheet which enabled the students to grasp the concept in a much better way.

To help the students of Vivekananda Paathshala become proficient in the English language, an interactive and useful session on 'Punctuations' was conducted by Ms. Mansi Bhatia on 11 February 2022. The children were taught how to punctuate a sentence and were given hands-on practice through live worksheets.

To help the children learn 'Sarvanam' in Hindi, an informative session was held on 17 February 2022 by Jaspalians under the guidance of Ms. Monika Mathur. She interestingly explained the topic and the students of Vivekananda Paathshala learnt a lot.

## LINKS AND LEARNING

The students were taught interesting Vedic math tricks to help them do calculations in a fast and quick way. A live worksheet was also shared with the students to give hands-on experience of what they learnt from the video.

### WORKSHEET ON VEDIC MATHS TRICK

**Q1. Solve the following questions using Vedic maths trick**

(a)  $43 \times 63$

(b)  $67 \times 47$

(c)  $38 \times 78$

(d)  $29 \times 89$

(e)  $95 \times 15$

Basant Panchami is a famous Hindu festival dedicated to Goddess Saraswati. The children

1. बसंत पंचमी हिन्दुओं का प्रमुख त्यौहार है।

2. यह त्यौहार फरवरी के महीने में मनाया जाता है।

were made aware of this through a YouTube link.

A year is divided into 5 seasons. Spring is the most beautiful of all the seasons as nature smiles and birds chirp in this season. The children were taught about the features of the Spring season through a poem and were asked

to draw the spring season and share their pictures.

<https://youtu.be/M4Rg6M5IsIY>

Clean India, Green India campaign was held wherein children made the poster on Clean India, Green India.

Dodging Tables

$15 \times 9 =$	$13 \times 7 =$
$4 \times 7 =$	$1 \times 15 =$
$8 \times 10 =$	$18 \times 7 =$
$17 \times 8 =$	$12 \times 6 =$
$10 \times 4 =$	$9 \times 9 =$
$14 \times 8 =$	$7 \times 6 =$
$3 \times 3 =$	$2 \times 6 =$
$16 \times 9 =$	$19 \times 6 =$
$11 \times 5 =$	$6 \times 9 =$
$5 \times 8 =$	$20 \times 5 =$

To help children practice tables in mathematics, a live worksheet was shared with them.

Examinations are around the corner and every child wants to score good marks. To help our beloved children score good marks by following certain tips a useful YouTube video was shared. The video emphasised the need to plan the time well and follow some tips to be a good scorer.
