

## ASSEMBLY REPORT

22-11-2022

V-D

*“Kindness is its own reward. Little deeds of kindness done by a person do come back to him/her in one way or the other.”*

The theme of V-D class assembly was ‘Little deeds of Kindness.’ Students showcased their talent through a myriad of activities like storytelling, a short speech, poem recitations, and expressing their thoughts via placards. They tapped their feet on the song “Together we can change the world”. The motive of the assembly was to infuse in the hearts of our budding children, the values associated with helping others. The assembly was drawn to a close with an interactive speech by the headmistress madam.
