CLASS I, II and III

ASSEMBLY

How to Improve Study Habits

Date: 8-12-2022

The students of Class III-C presented their class assembly on December 8, 2022 on the topic 'How to improve study habits' highlighting the importance of hard work which is an important key to success. They emphasised on the concept of achievements and explained how majority of the successful students achieve their success by applying effective study habits. The assembly began with the thought of the day. The students spoke few lines on the theme using placards. The assembly was concluded by the dance performance on 'Never Give Up' which brought a cheerful smile on each and everyone's face.

Save Energy

Date: 13-12-22

On world Energy Conservation Day class III-B presented an assembly on saving energy to save the future. The Assembly began with a pious prayer followed by the thought of the day. The students discussed about various things that help in energy conservation. For eg: installing LED lights, using solar energy, reducing wastage of water, switching of appliances when not in use. Children learnt that we must use all the resources judiciously. All the students took pledge to save energy and the environment. The Assembly concluded with the foot tapping song 'let's save energy'. Overall, it was quite an informative and interesting assembly.

Vijay Diwas

Date – 15-12-2022

Every year December 16 is celebrated as 'Vijay Diwas' to commemorate India's unique and unparalleled victory and valour of the Indian Army.

Students of classes I, II and III, understood the relevance of the day in the right perspective and paid homage to the brave soldiers through this special assembly. The assembly began with a soothing prayer followed by a meaningful thought for the day. Students of class III D then apprised the rest of the students about the importance of the day and how it is celebrated. The assembly was concluded with a melodious song and dance performance to evoke the feeling of patriotism.

Mathematics Day

Date – 21-12-2022

Class I-A conducted the assembly on 21.12.2022

Topic of the Assembly was Mathematics Day. The students explained that it is celebrated worldwide as birthday of the great mathematician Srinivas Ramanujan. They sang a beautiful song on Mathematics. They also gave tips to hone student's Mathematics skills and encouraged everyone to practice it everyday.

Christmas Fun

Date – 23-12-2022

Class I-B conducted the assembly on 23.12.2022 to celebrate Christmas. The theme of the Assembly was 'Be a Santa for Someone' this Christmas. Students were dressed up as Santa. They gave the message to spread joy, happiness and love everywhere. They learnt the value of sharing and caring. They sang Christmas song and wished Merry Christmas and wished happy new year to all the students and teachers. Christmas is all about spreading joy, love and happiness. The students of classes I, II and III celebrated Christmas with great zest, zeal and enthusiasm. They wrote about all the good things that they have done this year in a letter to Santa. They also wondered and wrote about their wish that they wanted from Santa. Students enjoyed savouries and delicacies as they danced to the tunes of Christmas Carols.

Winter Fun

Date- 28-12-22

The students of grade I presented the assembly on the topic Winter Fun on 28.12.22. The assembly commenced with a Morning Prayer which is believed to provide peace and serenity to our minds and souls. Students exhibited the woollen clothes and aids used to save ourselves from the winter. They smartly spoke about the clothes, festivals, weather and food of winter season. The students were also educated on the problems we face during the winter season like flu, cold and cough. The assembly ended with a beautiful foot-tapping dance leaving everyone spellbound!

Power of Prayer

Date- 29-12-22

On 29th December, online class assembly was presented by students of class I-D on the topic 'Power of Prayer'. Assembly began with a prayer and students were able to share that it is the honest energy that lies within us that makes things possible. They also shared that we must be grateful for all the things that we have got by the grace of almighty, be it the air we breathe or food we eat. Assembly was concluded with dance on song 'God's love.'
