

ASSEMBLY REPORT

**NOVEMBER
CLASS I, II and III**

POWER OF READING

“Readers are Leaders”

To teach and imbibe the spirit of reading among the students of classes I-III, class II A presented assembly on the topic “Power of reading” on 1st November. Assembly began with prayer, then students beautifully shared how essential reading is and how it helps to develop comprehension skills along with increasing one’s vocabulary. Students spoke about the benefits of reading and how it empowers our knowledge and gives us growth. Assembly was concluded with a song. Students also shared what they learnt from assembly and took a pledge to be avid readers.

ASSEMBLY

SELF DISCIPLINE IS THE BEST DISCIPLINE

‘With Self-Discipline You Can Achieve Great Things’

Assembly on ‘Self Discipline’ was conducted by the students of Class II-B on November 3, 2022, Thursday.

The students were taught to recognise and appreciate the significance of self-discipline. The students spoke a few lines on self-discipline and it's need in today's life which is full of distractions. In the class they made 'My Rule Book' in which they wrote few rules which they will follow in the class. It was a pleasant assembly with the delivery of the values which are extremely important for the children to imbibe. Students emphasised on the fact that one can unlock the door of success by living harmoniously with self-discipline and obeying the rules set by the elders. The children promised to listen to the instructions of their parents and teachers carefully and to obey them as well. The assembly concluded as students tiptoed on the song ‘aao mil kar hath badaye.’

ASSEMBLY

WORLD KINDNESS DAY

The students of class II-D presented an assembly on the virtue of kindness and the importance of sharing. They highlighted the joy we experience after we share our feelings and blessings with others. The assembly started with a didactic role play. Afterwards, students shared their thoughts using flashcards and headgears and the assembly concluded with a melodious song.

ASSEMBLY

NATIONAL CONSTITUTION DAY

Students of class I-B presented their assembly on 24 November 2022. The theme of the Assembly was Constitution Day. Students explained the meaning of constitution to their fellow mates. A student dressed up as Dr. B.R. Ambedkar and explained about the importance and utility of having a constitution for our country. They spread the message of being responsible citizens and loving our nation. The assembly ended on a patriotic note with the singing of national anthem.

ASSEMBLY

NATURE NURTURE, NURTURE NATURE

Being in nature is good for our physical as well as mental health. It further strengthens our connection to everything that it provides. We depend upon fertile soil, clean water, and pristine air for our bodies to be nourished and thrive. To explain the same to students, class I-D conducted an assembly on the topic 'Nature Nurture, Nurture Nature'.

Students explained how they understand nature and what they like about it along with how helpful and important it is. The students understood that there are many ways we can help boost the health of our natural ecosystems, while feeling good about making more room for nature in our life. They also pledged to always take care of our Mother Nature and not waste natural resources. The assembly concluded with a beautiful song and students shared that they learnt importance of nature and its nurturing nature.

ACTIVITY

CHILDREN'S DAY

A special assembly was organised by the students of class II-C as Jaspalians celebrated Children's Day on 14 November. Students were full of vigour and excitement as they had various exciting activities planned for them. The assembly started with a pious prayer followed by thought of the day- 'Children are the gift of God, let them fly with their thoughts.' The children were then shown a fascinating magic show. They also spoke about why Children's Day is celebrated and reminisced Pandit Jawaharlal Nehru as the great leader. They enjoyed the celebrations thoroughly. They also enjoyed a variety of sports activities like bouncing the ball and skipping. The little kids enjoyed speaking interesting tongue twisters. They danced and had great fun watching Finding Nemo.
