## REPORT ON SPECIAL CLASS ASSEMBLY

VI,VII,VIII

### PONDERING THE BIRTH OF JESUS

'Christmas waves a magic wand over the world, and behold, everything is softer and more beautiful.'

The much awaited festival of Christmas was celebrated with fervour and zeal by the students of class VI, VII and VIII on 24<sup>th</sup> December, 2020. The students were shown a Power Point Presentation and videos with stories on Christmas and birth of Jesus Christ. They learnt that Christmas was more than just Santa, cards, toys or gifts under the Christmas tree. The celebrations brought forth the true meaning of the Yuletide spirit which lay in the joy of giving and helping those who are less fortunate. Children were filled with joy and excitement as they sung Christmas carols and songs and danced to the tunes of Jingle Bells.

Christmas brings along it with cheer, frolic and mystical charm. It marks the birth of Lord Christ who worked for the transformation in the lives of people. He gave a new and a spiritual turn to the lives of man. Thus, a new era dawned for the world. To stir in our young learners this Christ-spirit, a will to serve , be benevolent , merciful and compassionate, Christmas was celebrated at JKPS on 24 Dec. 2020.

The message of the assembly was loud and clear---

"Come let us embrace the spirit of Christmas by bringing joy and happiness into someone's life."

**CHRISTMAS FOR A CAUSE**  
**Be Secret Santa to someone who really needs the love**

This Christmas, you can play Santa to a lot of people who really need the bearded man to shower them with some goodies and kindness. Lots of groups on social media are ensuring that this Christmas is celebrated for a cause. Here are some of the ways you can bring a smile to someone's face.

**Through a smartphone app**

Smartphone app Haptik has partnered with E-Daan and is allowing people to donate books and warm clothes to an NGO. To avail the facility, you have to download the app, send a message on the Haptik handle with the details of what you would like to donate and your details. E-Daan will then get their network NGOs to get in touch with you to collect the donation from your doorstep at a convenient time.

**Robin Hood Army:**

A group of young Samaritans called the Robin Hood Army are out on the streets every night ensuring that the homeless get warm food and blankets to survive. For Christmas, the community has started a new initiative where they are urging people outside the community to be Santa for the needy. Aptly titled Be Robin This Christmas, the movement urges people to go out and donate warm clothes, blankets and food to the homeless, click a picture and post it on the RHA Facebook page.

## GINGERBREAD

As the name suggests, gingerbread is flavoured with ginger and a host of other spices such as cloves, nutmeg and cinnamon. It is sweetened with honey, sugar and molasses. You can use the batter to make a lovely gingerbread cake or turn it into a batch of gingerbread cookies.

## BREAD PUDDING

This is a bread-based dessert, which is originally from England but it is popular in many other countries as well. Traditionally, it is made of stale bread, milk and eggs with a variety of other ingredients. The bread is soaked in the milk with other ingredients and then baked golden.
