

“The greatness of a community is most accurately measured by the compassionate actions of its members!”

-Coretta Scott King

LET’S JOIN TOGETHER TODAY TO CREATE A FABULOUS TOMORROW!

The month of August was full of some great indoor recreational activities for our beloved students of Vivekananda Paathshala. Continuing the offline classes streak, the students were engaged in a plethora of fun and interactive activities.

Students and staff of JKPS never hold back, when it comes to Social Service, we have always considered ourselves to be blessed enough to be of service to the poor, infirm and differently-abled.

With this desire in mind, the teachers of JKPS organised a general studies session with the students where the students were taught about the Solar system. Further, the students were engaged in a fun, hands-on learning experience to understand our solar system. They beautifully drew the diagram of the Solar System and learnt various facts about planets in general.

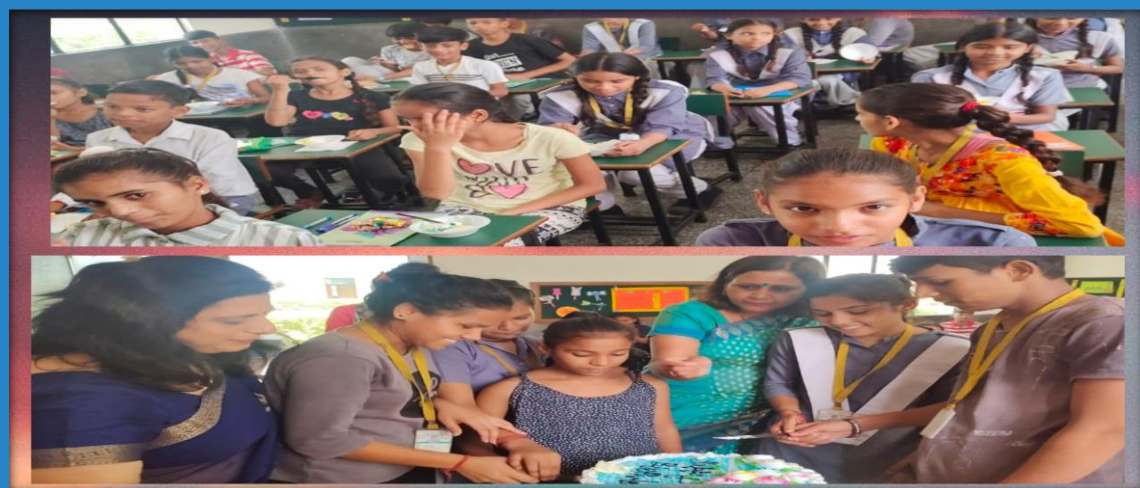

During, the introduction session, the students were taught how to write about themselves and then asked to narrate it in the class. This helped in boosting their confidence and improving their vocabulary, speaking and writing skills.

A session was organised to make the students understand the importance of staying happy and being joyful and how it is good for their mental as well as physical well-being. The students were happy and were quite elated to be a part of this session. They shared small joys of their life with us and it made for a fruitful and interactive session. We hope that it made a positive impact on their life.

The students also learnt various mental maths tips and tricks that made them solve the questions easily and they were keen to learn more. They found it interesting and this helped us channelise their energy into something productive.

The students of Vivekanand Pathshaala were also thrilled to celebrate their birthday with their peer group. The students enjoyed the celebration by playing games and entertaining themselves with various performances. The students danced merrily to the tune of the music. The birthday bash was a great success and the children were gifted goodies which included chocolates and pens.
