ASSEMBLY REPORT

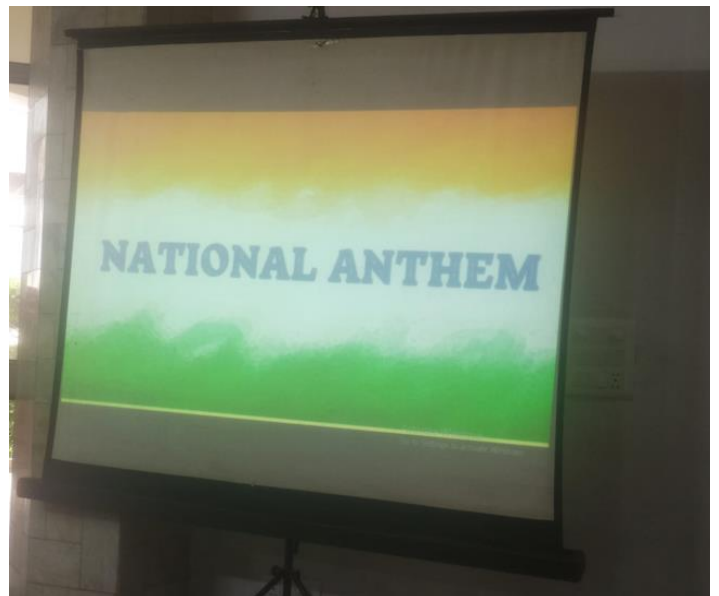

CLASS XB

FRIDAY, APRIL 28, 2023

“The world is one and all people inhabiting this earth belong to one family”
“Vasudhaiv Kutumbukum”

With this idea, the students of class XB presented the assembly on April 28, 2023. The assembly started with invoking the blessings of the Almighty in the form of a shabad. The news headlines were read out. The main features of international news, national news, sports news and weather were announced. The thought for the day was read out to prioritise the tasks and creating harmony around us.

Two new words, ‘Epiphany’ and ‘Vindicate’ were added to students’ vocabulary and their meanings and usage explained. This was followed by a discussion on ‘Origin and evolution of G20’. The last item was a self-written poem on Vasudhaiv Kutumbukum, the G20 family. A beautiful and colourful PPT presentation was run alongside providing an apt backdrop. Principal ma’am gave her blessings to the students. The assembly ended with national anthem.
