

**ASSEMBLY REPORT**  
**CLASS XII-E**  
**TOPIC: WORLD EARTH DAY**

*Date: 21 April 2023*

*Day: Friday*

*Class teacher: Ms. Priyanka Sehgal*

World Earth Day (WED) is a global event commemorated every year on the 22nd of April, honouring the achievements of various policymakers, activists and representatives from various organizations on previous goals for the last 53 years. Several awareness campaigns and activities are conducted to protect the earth's ecosystem and its relationship with mankind. Earth Day serves as a reminder that today more than ever, there is a need for sustainable living.

The assembly began with a prayer, followed by the information news provided to make the audience aware of the current events, and the thought for the day. A short speech highlighting the significance of The Earth was delivered after a beautiful poem reminding us of our responsibility towards the Earth. The primary event that delighted the audience was a melodious song making us all emotional.

Principal ma'am inspirational remarks focusing on the need for saving The Earth and the ways to do so marked the end of the assembly, followed by the National Anthem

**SOME GLIMPSES OF THE ASSEMBLY**
