

World Environment Day

Someone rightly said, “Environment is a gift to us, save and secure it”. World Environment Day is celebrated every year on 5 June to raise global awareness to take positive environmental action to protect nature and the planet Earth. It is a platform for encouraging consciousness and action for the protection of the environment. This day provides us with an opportunity to broaden the basis for an enlightened opinion and responsible conduct by individuals in preserving and enhancing the environment.

Keeping the above spirit alive, JKPS celebrated World Environment Day with full zeal and enthusiasm on 5 June 2023. The day began with a saplings plantation drive in which both parents and students participated actively along with the eco-club members. A poster-making activity was organized on the theme ‘**Beat Plastic Pollution**’. Students from classes VI to IX participated in E-card making activity to raise awareness of various environmental issues.

On this special occasion, Eco club teachers along with the student council met the MLA of Shalimar Bagh, **Mrs. Bandana Kumari** in her office and gifted saplings as a token of remembrance. She interacted with the students and explained the importance of Environment Day to them. The young Jaspalians shared their views and various tips to save the environment.

The Department of Environment, Forest and Wildlife, Govt. of NCT of Delhi, celebrated World Environment Day at Thyagraj Stadium, New Delhi on 05 June 2023. The event was chaired by

the Hon'ble Minister (Environment, Forest, and Wildlife), **Mr. Gopal Rai**. Honorable Chief Minister of Delhi, **Mr. Arvind Kejriwal** graced the occasion and shared the importance of a clean and green environment for a healthy life.

Eco club teachers along with the student council of JKPS got the golden opportunity to attend the event and be a part of the celebration. Saplings and jute bags were distributed among the students as a token of remembrance.
