A school band uniquely encourages a feeling of oneness and a deep sense of pride in school children. The JKPS School band participated in the National Zonal level band competition, held at Mohali, Punjab. Our journey from school to Mohali, Punjab, was facilitated by a bus provided by the school. Lodging and boarding were arranged by the Punjab government, which was a great privilege and honour. Both our boys' and girls' teams had secured the first position at the State level and were entitled to the National Zonal level band competition, where our girls earned the 2nd prize.

The competition featured participants from 10 states and Union Territories. Our students performed at their best and gained valuable insights from this experience. Our girl students performed marvellously, securing the 2nd position in the competition. It was a truly remarkable accomplishment.

The children not only enjoyed the competition but also acquired valuable insights and learning experiences.
