Word Weavers

"As the pages turn, our minds take flight"

The world of storytelling is a powerful medium that has the potential to attract listeners of all ages. On **July 19, 2024**, students of **Jaspal Kaur Public School** were fortunate to have the privilege of attending a storytelling session with the renowned author and storyteller, **Mr. Vijay Kakwani**. As an award-winning author, Mr. Kakwani has captivated readers with his unique blend of imagination, creativity, and storytelling prowess. The session captured the spirit of his storytelling.

His stories were alive with vivid descriptions, clever wordplay, and unexpected twists, which took us into a new imaginative world. Throughout the session, Mr. Kakwani shared his passion for storytelling, revealing the secrets behind his craft. He spoke about the importance of research, word-building, and character development, emphasizing that a good story is not just about the plot but also about the emotional connection between the reader and the characters.

Through this session, students learned the importance of using descriptive language, vivid details, and emotional connections to make their stories more engaging. They also learned how to use body language and tone of voice to convey emotions and add depth to their stories. Most importantly, they learned how to be more confident and comfortable when sharing their personal experiences with others.

The storytelling session was an enlightening experience that helped students develop their communication skills and confidence. They learned valuable techniques for creating engaging stories and had fun sharing their experiences.
