## Workshop on Profile Building

A comprehensive workshop on profile building was organized by Jaspal Kaur Public School on 17 May 2024 in collaboration with Mr. Jitin Chawla's Team. The workshop aimed to enlighten students about the essential elements required to build a strong and impactful profile.

The workshop commenced with a discussion on the significance of body language in conveying confidence, credibility, and professionalism. Students of grades XI & XII through interactive session were educated on different communication styles and their impact on interpersonal relationships and professional interactions. The workshop also delved into the importance of internships in shaping a robust profile. Students were briefed on how internships offer invaluable hands-on experience, allowing individuals to apply theoretical knowledge in real-world scenarios.

Overall, the workshop provided students with valuable insights and skills essential for personal and professional development. By emphasizing the importance of internships, communication styles, body language, and time management, participants were empowered to cultivate strong and impactful profiles conducive to future success. The interactive nature of the workshop facilitated active learning and engagement, leaving a lasting impression on all attendees.
