Report on workshop

The workshop was organised by CBSE (Capacity building program for the teachers teaching “INFORMATION TECHNOLOGY SUB CODE: 402”. The venue of the workshop was D.A.V. Public School, S block Uppal’s Southend, Sector-49, Sohna Road, Gurgoan.

The speakers for the workshop were Ms. Surabhi Aggarwal and Ms. Priya Jhanwal.

The workshop discussed the following points:

- Emerging trends in information technology
- Curriculum updates and best practices
- Effective teaching methodologies
- Assessment strategies

The workshop provided a platform for networking and building professional connections.

Educators from different schools and regions connected to share insights and ideas.

Overall, a very good learning experience.

Thanks

Ms. Madhu Thirwani
