## Workshop on Stream Selection by Pratham Institute

On 8 July 2024, Jaspal Kaur Public School (JKPS) organized an informative workshop on ‘Stream Selection’ for the students of classes IX and X. The workshop was conducted in collaboration with Pratham Institute and featured Mr. Aditya Shekhar as the esteemed speaker.

Mr. Aditya Shekhar, a distinguished graduate of National Law University, Jodhpur, has mentored students for over six years. His extensive experience and passion for guiding young minds made him the perfect choice for this event. During the workshop, Mr. Shekhar provided an in-depth overview of the various stream options available to students, focusing on the different skill sets required for each stream.

With a blend of expertise and empathy, Mr. Shekhar shared his profound knowledge on the subject, addressing the students' queries and concerns. He emphasized the importance of aligning one's stream choice with personal interests and aptitudes, encouraging students to make informed decisions to pave the way for their future success.

The interactive session was met with great enthusiasm, as students actively participated and gained clarity on their academic and career paths. Mr. Shekhar's motivational approach and practical insights impacted the attendees, empowering them to make well-considered choices about their educational journey.

The workshop concluded with the School Principal Mrs. Asha Saran Srivastava presenting Mr. Aditya with a planter as a token of gratitude for his valuable contribution. The event was a great success, leaving students motivated and better prepared to make thoughtful career choices.

JKPS extends its heartfelt gratitude to Pratham Institute and Mr. Aditya Shekhar for their invaluable contribution to our students' growth and development.
