Report on NGO Stalls Organized in School

"In giving, we grow; in serving, we shine."

Date: Saturday, 27 September 2025

On Saturday, 27 September 2025, the school organized an inspiring event wherein two reputed NGOs, Goonj and Pahel, set up stalls within the school premises. The objective of this initiative was to promote social responsibility among students and to provide a platform for NGOs to showcase their work, aligning with the Sustainable Development Goals (SDGs).

The stalls featured a range of handmade and eco-friendly items that were well received by visitors. The products drew appreciation for their creativity, sustainability, and usefulness. Parents, in particular, demonstrated keen enthusiasm and extended wholehearted support by purchasing items and encouraging the initiative.

A major highlight of the event was the active involvement of the school's alumni. Their presence and participation added immense value, as they not only guided student volunteers but also shared their experiences and motivated younger students to take up social causes. Their engagement reflected a deep sense of belonging and commitment to the school's ethos of community service.

The event's success was ensured through the collaborative efforts of student volunteers, alumni, and parents. The volunteers assisted in setting up the stalls, guiding visitors, and coordinating with the NGO representatives. The alumni and parents contributed significantly by offering their time, expertise, and encouragement throughout the event.

Overall, the event was conducted smoothly and achieved its purpose of fostering community engagement, alumni involvement, and social awareness. The positive response from parents, students, and visitors reflected the value of such initiatives in strengthening the partnership between the school and society while supporting the global mission of the SDGs.
