Vivekananda Paathshaala (September 2025)

Small acts, when multiplied by millions of people, can transform the world.

A Vivekananda Pathshala session was held on 2nd September 2025 where ten students engaged in an interactive discussion on the **importance of elections in a democracy**. The session addressed challenges in the electoral process and the need for reforms to ensure free and fair elections. Students concluded by reflecting on the role of elections in strengthening democracy. The initiative aligned with SDG 16 (Peace, Justice and Strong Institutions), fostering awareness about **democratic values** and **responsible citizenship**.

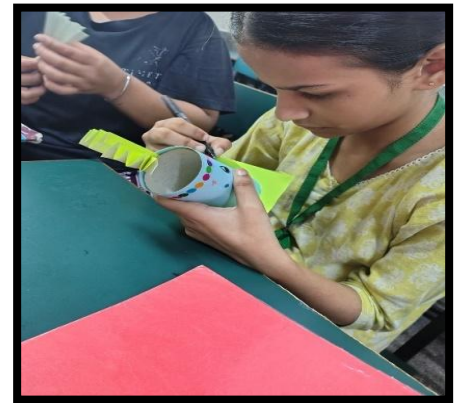

In a language enrichment activity, students were introduced to well-known **idioms**. The meaning of each idiom was explained with examples, and students actively participated by reading them aloud. The session enhanced vocabulary, comprehension, and communication skills, aligning with SDG 4 (Quality Education) by fostering effective learning and language development.

A **gift-wrapping activity** was organized, where students participated with enthusiasm and creativity. They packed boxes neatly and decorated them with ribbons, mirrors, and stones, creating visually appealing designs. The activity was completed within an hour, with volunteers providing commendable support to participants. Overall, the event was conducted smoothly and enjoyed by all, fostering teamwork, creativity, and attention to detail among students. The activity aligns with **SDG 4 (Quality Education)** by promoting skill development, creativity, and holistic learning experiences.

As part of a community outreach program, students of Vivekananda Pathshala participated in a creative craft activity. Guided by their teacher, they used tissue rolls to design and decorate unique pen stands. The activity encouraged creativity, enhanced fine motor skills, and highlighted the importance of recycling. With enthusiasm, each student added a personal touch to their creation and proudly displayed the finished work. The session combined fun with learning while instilling responsibility towards sustainable practices, aligning with **SDG 12 (Responsible Consumption and Production)** and **SDG 4 (Quality Education)** by promoting sustainability awareness and skill development.

As part of a community outreach program, students of Vivekananda Pathshala participated in a creative craft activity. Guided by their teacher, they learned to design **mandala patterns** and used them to create 3D turtles. The activity aimed to enhance creativity and focus, improve fine motor skills, and promote emotional regulation and mindfulness. Each student added a unique touch to their creation and proudly displayed the finished work. The session was both enjoyable and meaningful, combining fun with learning while fostering responsibility and appreciation for sustainable practices.

As part of a hands-on learning experience, students participated in a **raisin-making activity** conducted by a **parent volunteer**. Guided step-by-step, the students learned the process of transforming grapes into raisins, understanding the science behind drying and preservation. The activity enhanced practical knowledge, fine motor skills, and patience, while encouraging curiosity and active participation. Each student proudly observed and shared their outcomes, making the session both enjoyable and educational. The activity fostered experiential learning and a connection with food processes, combining fun with meaningful understanding.

A **Diya Decoration Activity** was organized to welcome the festive spirit of Diwali, where students enthusiastically decorated plain clay diyas using paints, glitter, beads, and mirrors. The activity encouraged creativity, teamwork, and appreciation for traditional crafts. This enriching experience not only nurtured artistic talents but also promoted values aligned with **SDG 4 (Quality Education)** and **SDG 11 (Sustainable Cities and Communities)** by fostering cultural awareness, hands-on learning, and community participation.

A Pathshala class was conducted with 10 students participating actively in a creative activity themed “**My Ambition,**” where they expressed their future goals through writing or drawing. The exercise encouraged self-reflection, creativity, and confidence in sharing personal aspirations. The session successfully fostered self-awareness and communication skills, aligning with **SDG 4: Quality Education** by promoting inclusive, learner-centered development and supporting students in exploring their dreams through expressive learning.

Each month, we gather to celebrate our students' birthdays, creating joyful moments of togetherness. This month’s celebration brought a bright smile to the birthday child’s face, making them feel truly valued and loved. The shared warmth and happiness made it a memorable and heartwarming occasion for everyone.
