Subject: Recreational Clubs at JKPS

Dear Parents

Greetings from JKPS Family!

As we approach the culmination of another enriching academic session, we are excited to extend an invitation for your child to choose their preferred clubs for the session 2024-25. In line with our commitment to holistic development and nurturing diverse talents among our students, we are thrilled to continue offering clubs for students in **classes I to VIII**. We firmly believe that education extends far beyond the confines of textbooks and classrooms, and these clubs will serve as the perfect avenue for exploring their passions, cultivating new skills, and embracing their unique strengths.

Whether they're fascinated by art, captivated by science, or eager to explore the world of storytelling, there's a club tailored to ignite their curiosity and spark their imagination. Through hands-on activities, collaborative projects, and interactive sessions, students will experience fun while learning and also foster essential life skills such as teamwork, leadership, and problem-solving. We strongly believe that clubs will serve as an invaluable supplement to our academic curriculum, enriching the overall educational experience for our children.

Parents are requested to choose a club that resonates with the interests and hobbies of their child by **Tuesday, March 26, 2024**, to allow us to make necessary arrangements. Kindly fill in your preference using the link provided below.
