**Dear Parents**

As we come to the close of another enriching academic session, we want to express our sincere gratitude for your continuous support and partnership in nurturing a stimulating learning environment for our students. Your involvement has been integral to the success and growth of our school community.

Looking ahead to the upcoming academic session 2024-2025, we are committed to maintaining the standards of excellence that define our institution. We are dedicated to further enhancing the educational experience for our students, building upon the strong foundation we have collectively established.

In line with our commitment to transparency and open communication, we want to inform you of an important update regarding school fees. Following a recent audit, the Department of Education (DOE) has approved a 9% increase in school fees, effective from April 1, 2024 vide order no. F.DE.15 (1671)/PSB/2023/10140-10144 dated 14.12.2023. However, we would like to inform you that this increase only applies to the tuition fee component, with no change in the Development and Annual fee.

We understand the financial responsibilities that come with providing the best possible resources, facilities, and faculty for our students. Therefore, we kindly request your cooperation in ensuring timely payment of fees. This will enable us to meet our essential financial commitments and continue delivering high-quality education to our students.

Please note that the last date for fee payment is **Monday, April 15, 2024**. Your promptness in adhering to this deadline would be greatly appreciated. Once again, we thank you for your unwavering support and collaboration. Together, we will continue to empower our students and foster a thriving educational community.
