JKPS/fee/2024/12

July 1, 2024

Dear Parents,
Warm Greetings from JKPS Family!

Summer vacations offer our children a chance to relax, develop new skills, explore new places, and spend quality time with family. This break has provided a fresh perspective, which we aim to channel into academic and co-curricular pursuits. The JKPS family enthusiastically celebrated **World Environment Day** on June 5, 2024, and **International Day of Yoga** on June 21, 2024, with various activities that benefited students both spiritually and mentally.

Welcome back, students! We are excited to see you all and look forward to an engaging and productive term ahead. Now is the time to resume classes and continue your academic journey with a fresh outlook and zeal.

Assessments are an integral part of the teaching-learning process. We wish our students the best of luck for the upcoming PA I for classes III to XII. Teachers have already shared the detailed syllabus and date sheet with the students and uploaded them to the ENTAB portal. Students have much to look forward to, including a project show by Class III, special assemblies, subject enrichment weeks, house functions, and Cyber Week. These activities will showcase their creativity and hard work.

Your ongoing support is invaluable. As equal partners in your child's education, we appreciate your commitment to timely fee submissions. Please note that the fee for **July 2024** is now due and should be submitted along with any pending dues by **Monday, July 15, 2024**.
