POEM: FAMILY IS LIKE A CIRCLE

A family is like a circle.
The connection never ends,
and even if at times it breaks,
in time it always mends.
A family is like the stars,
Somewhere they're always there.
Families are those who help,
who support and always care.
A family is like a book,
The ending's never clear,
but through the pages of the book,
their love is always near.

A family is many things,
little endearing words that show
who they are and what they do
and how they teach you so you know.
But don't be weary if it's broken
or if through time it's been so worn.
Families are like buttons,
they're kept up and always torn,
but even if this happens,
your family will always be.
They help define just who you are
and will be a part of you eternally.

Time spent with family
is worth every
second

family
where life begins
&
love never ends...

You can either get the warmth of love
