November 12, 2025

Hybrid Mode
Pre-School to Class V

Dear Parents

Warm Greetings!

In view of the persistent decline in the **Air Quality Index (AQI)** across the National Capital Region and in compliance with the advisory issued by the **Directorate of Education, Government of NCT of Delhi (Circular No. DE.23(28)/Sch.Br./2025/1004 dated 11.11.2025)**, the school will be adopting a **hybrid mode** for students of **Pre-School to Class V** with effect from **Thursday, November 13, 2025**, until further notice. **However, regular offline classes will continue for students of Classes VI and above.**

While the school will remain open and continue in-person classes, we understand that some students may be unable to attend school due to health concerns. Such students will receive their academic work through Entab, ensuring continuity in learning.

In line with current health advisories and our ongoing commitment to providing a safe learning environment, the following precautionary measures are being implemented:

- Students and staff are advised to wear N95 masks while commuting and during any outdoor exposure. Any student exhibiting symptoms such as a cold, cough, or breathing difficulty is advised to remain at home.
- All outdoor activities and sports sessions will remain suspended until air quality improves.
- Students are encouraged to stay well-hydrated.

The safety and well-being of our students and staff remain our top priority. We sincerely appreciate your cooperation and understanding as we continue to work together in these challenging conditions.

Stay indoors, stay safe, and take care.

Warm regards

Team JKPS
