CLASS IX-D

*“BOMBS AND PISTOLS DO NOT MAKE A REVOLUTION.
THE SWORD OF REVOLUTION IS SHARPENED BY THE WHETTING STONE OF IDEAS.”*

Morning Assemblies are a very essential part of school culture. The programme of the assemblies has the potential to nurture and maintain a positive and healthy school culture that binds everyone together. The students of Class IX D collaborated with the students of Class VI-C to conduct the grand assembly on the occasion of India's 74th Republic Day on 23rd January 2023.

The young Jaspalians started the day with great vivacity and spirit to rejoice in the glory of the nation and celebrate the freedom of thought, strength in our conviction, and pride in our heritage. To mark the serene beginning of this special day, the assembly began by invoking the divine grace through a Shabad.

To keep the divinity aligned, some students of class IX took the audience deeper into divinity by performing Saraswati Vandana to honor the Greatness of the Goddess of knowledge, creative arts, wisdom, language,

learning, and purity. This was followed by a motivating thought of the day and an inspirational suvichar. The students then presented new words of the day and the news headlines of the day. The students further performed an insightful short act to sensitize the audience about our fundamental rights and duties and talked about how people often misuse these privileges unintentionally. This was followed by an enriching speech in Hindi. Then, the treasured principal, Ms. Asha Saran Srivastava, took over the stage to grace the students with her ever-inspiring words of wisdom. The assembly culminated with the rendition of the National Anthem.
