Jaspal Kaur Public School organized an Inter-house Model United Nations Conference on 6 December 2022.

The Model United Nations Conference aims at creating scaffolds for student simulation and navigating the young enthusiasts on the path of enriching and thought-provoking experiences. The conference focused on helping the students become aware of the functioning of the United Nations and educating them about public speaking, debate, diplomacy, problem-solving, persuasive writing, and teamwork. It helped them in exploring the varied facets of the Ukraine- Russia war.

The conference commenced with formal instructions given by the Executive Board. A team of eight delegates represented their assigned countries in the committee. The topic stipulated for the discussion was “How to mediate to end the war between Russia and Ukraine to bring peace in the world?”

Once the agenda was established as a ‘Global Crises, the representatives presented their opening statements and there was only room for heated debates and negotiations in the hall. All eight delegates used their diplomacy and applied the methods of reasoning and arguments to defend and justify their country’s policies.

The proficient participants demonstrated the multi-layered mechanisms through which the belligerent nations of the United Nations troubleshoot global issues. The process of the preparation

and execution of the conference was very enriching for all the members in terms of gaining a vital insight into the politics and diplomacies of today's world.

The Principal, Mrs. Asha Srivastava encouraged the young delegates with her wise words. She appreciated the efforts of the students as well as of the Social Science and English Department along with congratulating them for the success of the conference. The experience of this first ever Inter-house MUN Conference 2022 created a lifetime memory for all the young diplomats of JKPS and served as a stepping stone for enthusiastic participation in the upcoming MUNs.
