

Road Safety Awareness

December 13, 2021

VIII & X

Organiser & Presenter: Delhi Police

Platform: Google Meet

Road safety is of prime importance as accidents are among the biggest causes of deaths in the country with the number of vehicles on our roads increasing with every passing hour, it's of vital importance for everyone to have traffic awareness, understand and respect all the road safety rules in India. An online orientation session was organized by Delhi Traffic Police for our school students. The Speaker informed students about the importance of Zebra Crossing and wearing of helmets. The Speaker also informed students that a good helmet has a code of IS4151. We need to check this code while purchasing the helmet. Delhi Police guided students about road signs and informed them about the importance of signs and symbols.
