Assembly (VIII , IX ,XI)
Virtue of Humility
November 27,2021

In the era where the world has become a single unit and yet we are all socially distanced, it becomes all the way more necessary to sensitize the upcoming generation about the evils of intolerance and selfishness. It is high time that we propagate the virtues of tolerance, selflessness, and egolessness among the children. Keeping this view in mind, we at JKPS conducted a very fruitful and motivational virtual assembly with the students of classes VIII, IX, and XI

The students enthusiastically participated in the assembly and expressed their gratitude towards their classmates, teachers, parents, and the community at large. The students watched many inspirational stories of civilians like us who brought about a substantial change in society at large just by being humble. To give this assembly a perfect close, the students sang a beautiful song on humility together to recognize the importance of 'action without rewards', 'kindness', 'tolerance', and 'respect'.

Humility
is
nothing
but
truth
and
pride is
nothing
but
lying .

- It is the quality or state of not thinking you are better than people .
- It is the freedom from pride or arrogance .

*Humility is not so much a grace or virtue along with others;
it is the root of all, because it alone takes the right attitude
before God, and allows Him as God to do all.
